- Military Construction & Contingency Ops
- Horizontal & Vertical Design/Construction
- Private Commercial Design/Construction
- Subconsultant on large Public Contracts
- Projects large and small

## PUBLIC & PRIVATE PROJECTS

Federal		Partnering with our trusted Prime Consultants, we have succeeded in obtaining awards through Federal agencies. With experience working for USACE and a tour to Afghanistan in 2011, our Principal and Owner has unique experience operating within the Federal work process.
Local		We are a regional company--working inside of our local jurisdictional authorities such as the Municipalities of Anchorage or with the City of Portland, Oregon as a Prime contract holder for geotechnical work.
Private		In addition to our Public projects, we continue to succeed with projects large and small in the Private Sector through National and Local developers such as Ankrum Moisan and Chase Bank.
Teaming		We have teamed with larger Primes such as WSP and KPFF to help make our bids more attractive, then excel in our work together for success after award with mutual Clients.
